Elvis Aaron Presley

Elvis Aaron Presley (January 8, 1935 – August 16, 1977) was an American singer and actor. A cultural icon, he is commonly known by the single name Elvis. One of the most popular musicians of the 20th century, he is often referred to as the "King of Rock and Roll" or "the King". Born in Tupelo, Mississippi, Presley moved to Memphis, Tennessee, with his family at the age of 13. He began his career there in 1954, working with Sun Records owner Sam Phillips, who wanted to bring the sound of African American music to a wider audience. Accompanied by guitarist Scotty Moore and bassist Bill Black, Presley was the most important popularizer of rockabilly. RCA Victor acquired his contract in a deal arranged by Colonel Tom Parker, who went on to manage the singer for over two decades. Presley's first RCA single, "Heartbreak Hotel", released in January 1956, was a number-one hit. He became the leading figure of the newly popular sound of rock and roll with a series of network television appearances and chart-topping records. His energized interpretations of songs, many from African-American sources, and his uninhibited performance style made him enormously popular—and controversial. In November 1956, he made his film debut in *Love Me Tender*. Drafted into military service in 1958, Presley relaunched his recording career two years later with some of his most commercially successful work. He staged few concerts however, and, guided by Parker, proceeded to devote much of the 1960s to making Hollywood movies and soundtrack albums, most of them critically derided. Presley's only child, Lisa Marie, was born on February 1, 1968, during a period when he had grown deeply unhappy with his career. In 1968, after seven years away from the stage, he returned to live performance in a celebrated comeback television. Recorded in late June in Burbank, California, the special, called simply *Elvis*, aired on December 3, 1968. Later known as the '68 Comeback Special, the show featured studio productions as well as songs performed with a band in front of a small audience—Presley's first live performances since 1961. The live segments saw Presley clad in tight black leather, singing and playing guitar in a style reminiscent of his early rock-and-roll days. In 1973 Presley staged the first concert broadcast globally via satellite, *Aloha from Hawaii*. Presley's divorce took effect on October 9, 1973. He was now becoming increasingly unwell. Twice during the year, he overdosed on barbiturates, spending three days in a coma in his hotel suite after the first incident. Toward the end of 1973, he was hospitalized, because of the effects of Demerol addiction. Prescription drug abuse severely deteriorated his health, and he died suddenly in 1977 at the age of 42. Presley's funeral was held at Graceland, on Thursday, August 18. Approximately 80,000 people lined the processional route to Forest Hill Cemetery, where Presley was buried next to his mother. Within a few days, "Way Down" topped the country and

UK pop charts. Presley is regarded as one of the most important figures of 20th-century popular culture. He had a versatile voice and unusually wide success encompassing many genres, including country, pop ballads, gospel, and blues. He is the bestselling solo artist in the history of popular music. Nominated for 14 competitive Grammys, he won three, and received the Grammy Lifetime Achievement Award at age 36. He has been inducted into multiple music halls of fame.
