#### Descripción de la actividad sugerida

1. Read the text and choose the correct answer

## The astronaut artist

Scott Kelly, officer of the International Space Station, has (0)\_\_\_\_\_ become the US astronaut that NASA has (125)\_\_\_\_\_ stay for the longest period in space. Up there, he said that his hobby was taking photographs of the (126)\_\_\_\_\_ planet underneath. Kelly calls his pictures "Earth art". These photographs have shown us what to (127)\_\_\_\_\_ next in terms of technology. Kelly is not (128)\_\_\_\_\_ a man with a camera orbiting Earth – he is (129)\_\_\_\_\_ an artist.

It's the human mind (130)\_\_\_\_\_ work that makes art unique. Despite having robots near other planets capturing images, their photographs (131)\_\_\_\_\_ been called pieces of art. Robots cannot (132)\_\_\_\_\_ these kinds of poetic pictures; (133)\_\_\_\_\_, we can say they have taken some interesting photographs.

These works have (134)\_\_\_\_\_ that automatically operated space research is not enough; it should be done by humans.

2. Now is your turn!!! Choose any short text in English and create your own options and answers. you must justify the different answers. You must create at least 5 questions. Look at the example.

Example:

### What does it mean to be innovative in business?

In order for a business to survive in today's world, it is important that we regularly review what we are doing and how we are doing it. By considering new ideas and new (1)\_\_\_\_\_ of doing things, and trying to innovate, we can improve on our products/services, increase sales, reduce costs and make our processes more effective and efficient. Innovation is key to increasing profits.

There are several ways a company can be innovative with their products and services. Today we will look at four of them.

### Using the latest technology to improve your product/service

When we think of innovation, we often think of new technologies. While they might be impressive, we should not use new technologies just because they are available. It is important to consider how the technology can improve our product/service and make a difference to our customer. Companies that produce cars, toiletries, household appliances, etc. often have a large R&D department to work on making their products better.

1. **A. ways**      b. forms      c. roads      d. opinions

**Feedback:** the answer is "A" because it refers to "formas" and it's common to use the word "ways" instead "forms" in this type of expressions like "new ways".
