Read the text and answer the questions.

The Sun and the Moon

One day the sun said to the moon, "I shine in the day so the people on Earth can see."

"I give energy to all the plants and animals.

It takes Earth a whole year to go around me."

The moon said, "I am sometimes in the sky in the day time and I am sometimes in the sky at night."

"I have lots of mountains and I also have big craters.

I make the tides in the sea.

It takes me one month to go around Earth."

Questions.

6. How long does the moon take to go around Earth?

Activity 2

Read the text and draw something that represent the story

Shelly the Snail

Shelly is a little snail.
She is called Shelly because her home is a shell. Shelly slides very slowly along the ground.
One day she slid a long way...about 100 metres.
She got so tired that she had to have a long sleep.
Shelly slept for 10 hours. She dreamt she wasn't little any more.
She was huge!
